Production site CL BUENOS AIRES, 4 50198 LA MUELA (Zaragoza - España)

Certification scheme In order to grant this certificate, AENOR has assessed the quality system operated by the in-house inspection service of the applicant, in order to determine whether the quality system satisfies the requirements laid down in chapter 1.8.7.7 of annexes of Directive 2008/68/EC. AENOR performs surveillance audits to ensure that the in-house inspection service of the applicant maintains and applies the quality system.

The Pi marking affixed to the transportable pressure equipment shall be followed by the identification number of AENOR as a notified body (0099).
